HEART FELT GRATITUDE

By courtesy of the opportunities created in the year 2023, with the deeply symbolic motto «Happy Youth with Arkadag Serdar», the educational enhancement of us, youth has become the focal point and utmost priority of our state.

As the head of state said, the book «Youth – the Support of the Motherland» notes the achievements and successes of young people. This peculiarly unprecedented book serves as a guideline and exemplar for us, young representatives of our country. Our Esteemed President Serdar Berdimuhamedov approved this motto for 2023, this symbol carries a semantic meaning which «Reflects the desire of the Turkmen people, together with the youth, to follow the course of the Hero-Arkadag under the leadership of Hero Arkadag Serdar, to work hard for the further prosperity of the beloved Motherland».

For the predominant part, this year we have been enabled to lucidly manifest our

intellectual talents and represent all our erudite aptitudes by participating in the national and International Olympiads, in complement with the new, unparalleled competitions specially designed by the universities and institutes of Turkmenistan. This year, I have had the opportunity to take part in several national Olympiad specially designed by higher educational institutions and was granted with high-level certificates and diplomas and munificent presents, especially from our Hero Arkadag and Hero Arkadag Serdar

On behalf of all representatives of youth, I would like to express my whole-hearted gratitude to our highly-revered Hero Arkadag and Hero Arkadag Serdar for the interest, constant care and attention bestowed on us, by virtue of which we keep going forward.

ПРЕЗИДЕНТ СЕРДАР БЕРДЫМУХАМЕДОВ ПРИНЯЛ УЧАСТИЕ В НЕФОРМАЛЬНОЙ ВСТРЕЧЕ ГЛАВ ГОСУДАРСТВ СНГ

26 декабря Президент Туркменистана Сердар Бердымухамедов посетил с рабочим визитом Россию Федерацию, где принял участие в ставшем традиционным в последние годы неформальном Саммите глав стран Содружества Независимых Государств.

Туркменистан, который является в силу своего нейтрального

статуса ассоциированным членом Содружества Независимых Государств, выстраивает отношения с государствами-участниками СНГ на равноправной, обоюдовыгодной основе, с учётом общих целей и национальных интересов каждой из сторон. Эта позиция нашей страны способствует укреплению исторически сложившихся крепких уз дружбы, добрососедства и эффективных связей, успешной реализации значимых крупных совместных проектов в различных областях.

HAPPY YOUTH WITH ARKADAG SERDAR: CONFIDENT STEPS TO GREAT DEVELOPMENT

In the Epoch of the Revival of a new era of a powerful state, under the far-sighted leadership of President Serdar Berdimuhamedov, fundamental transformations are taking place not only in the national economy, but also in state building, the life of society as a whole, large-scale programs and projects designed to ensure the further development and progress of the Fatherland, the improvement of the well-being of the people. Particular attention was paid to the development of international youth cooperation. As it was emphasized, the tasks in this direction were initially designated among the key items on the agenda of the United Nations, as evidenced by a number of adopted documents. To exchange best practices, it is proposed to intensify ties in the field of education with authoritative international organizations, including the UN, OSCE, EU and CIS.

Our Esteemed President Serdar Berdimuhamedov addressed that:

"Dear participants of international scientific-practical conference and exhibition!

The happy youth of the Revival era of the new epoch of sustainable state!

I heartily congratulate you on the opening of the international scientific-practical conference and exhibition dedicated to Arkadag Serdarly Happy Youth Year. I wish great success to the work of this conference and exhibition, which will contribute to opening up new opportunities for the further development of youth cooperation at the international level. During the Arkadag Serdarly Happy Youth Year, the Magtymguly Youth Organization of Turkmenistan was accepted as an official member of the World Youth Society of UNESCO. The forum of the youth of the Central Asian countries and the People's Republic of China called "The New Age of the Great Silk Road" was held in the city of Mary. All this is a clear sign of the opening of new opportunities for the internationalization of youth cooperation.

Dear participants of international scientific-practical conference and exhibition!

Once again, I heartily congratulate you on the start of the international scientific-practical conference and exhibition dedicated to Arkadag Serdarly Happy Youth Year. With wonderful wishes, pleasant moments, and a solemn new welcome - I wish you more than

ever in 2024, your sincere and persistent work, your gifted talent and your creative initiatives will reach higher levels.

On January 28, 2023, the regular VIII Congress of the Magtymguly Youth Organization of Turkmenistan the regular was held in the Meñan Palace in the capital, in which delegates of youth organizations from Ashgabad and regions of the country took part in. The agenda included a set of issues of youth policy, discussion of ways to solve current and future tasks set by the President of the country and the Hero-Arkadag - the National Leader of the Turkmen people Gurbanguly Berdimuhamedov to the young generation in the era of the Revival of a new era of a powerful state. With great enthusiasm, the participants listened to the Address of President Serdar Berdimuhamedov, which emphasized

the younger generation, and I am convinced that young Turkmens will be able to justify this great trust!".

The youth policy pursued by the President of the country is aimed at creating the most favorable conditions for the formation, development and personal growth of young Turkmen citizens, expanding opportunities for the maximum realization of their intellectual, creative and spiritual potential in the interests of society and the state. The main directions of the national strategy include provision of legal and social protection of young people, popularization of the spiritual, moral and cultural values inherent in the Turkmen people, principles of a healthy lifestyle, education of patriotism, humanism, civic responsibility, as well as support and encouragement of youth initiatives. State policy in this area is inextricably linked with the activities of the Magtymguly Youth Organization of Turkmenistan, which is the largest public association in the country that defends the interests of young citizens.

As it was noted, the state youth policy is inextricably linked with the activities of the Magtymguly Youth Organization of Turkmenistan, which unites over 900 thousand mem-

bers today and is a large association defending the interests of young citizens. This public structure has been established since its foundation, namely since November 16, 1991, it has been fruitfully working on the upbringing of a physically strong, spiritual and moral, hardworking, devoted to the Homeland generation. For more than 30 years, it has been successfully fulfilling the tasks of consolidating its members, directing their strength, abilities, and knowledge to the progressive development of an independent neutral Homeland.

President of Turkmenistan Serdar Berdimuhamedov presented a new book for our youth called "Youth is the support of the Motherland". And also our honorable President noted that the younger generation makes a worthy contribution to the development of Turkmenistan.

В сути объявления 2023 года «Годом счастливой молодежи с Аркадаг Сердаром» мы видим большое доверие к молодежи, которая считается прочным фундаментом будущего страны. Эта вера открывает для нас огромные возможности и в то же время ставит перед нами обязанности обучения и работы.

Год, проходящий под девизом «Счастливая молодежь с Аркадаг Сердаром», ознаменовался для студентов и молодых преподавателей нашего института победами в различных национальных и международных олимпиадах и конкурсах.

Мы, студенческая молодежь, в ответ на отеческую задачу Героя-Аркадага, уважаемого Президента о молодежи продолжаем исторический путь наших предков, которые всегда призывали к миру, единству, сплоченности, пропагандируя идеи гуманизма во всем мире.

Позвольте заверить в том, что мы и впредь будем стремиться вносить достойный вклад в развитие и дальнейшее процветание нашей дорогой Отчизны!

Пользуясь случаем, выражаем слова искренней благодарности в адрес Героя-Аркадага, уважаемого Президента за созданные широкие возможности для молодёжи учиться, созидать, заниматься наукой и развитием.

Желаем Герою-Аркадагу, уважаемому Президенту крепкого здоровья, долгих лет жизни и успехов в масштабной государственной деятельности во имя мира, прогресса и процветания Независимого, постоянно Нейтрального Туркменистана.

28-nji dekabrdan Türkmenistanyň Daşary işler ministrliginiň Halkara gatnaşyklary institutynda 2023-nji ýylda diplomatic gullukda göreləndi zähmet çeken ýaş diplomatlary, türkmen diplomatiýasynyň milli mekdebiniň

(Başlangıç gazetesi ökü sanlarynda).

Türkmenistanyň mukaddes Garaşsyzlygyna eýe bolmagy bilen, ýurdumyzda diplomatiýa bagışlanan okuň kitaplary, okuň gollanmalary peýda bolup başlady. 2012-nji ýylda Adatdan daşary we Doly ygtyýarly ilçi, taryh ylymlarynyň doktory, professor Amangeldi Rahmanowyň «Diplomatik gullugyň esaslary» atly okuň kitaby ilkinji gezek neşir edildi. Bu kitap turuwbaşdan

Diplomatiýa

näme?!

Türkmenistanyň Prezidentiniň, diplomatlarýn, pedagogiki we ylmy jemgyýetçiliginiň ýokary bahasyna mynasyp boldy.

2021-nji ýylda bu kitabyň täzeden işlenen we üsti doldurylan ikinji neşiri çap edildi. Onda diplomatiýanyň meselelerine has düýpli we giňişleýin seredilip geçildi, şeýle hem «diplomatiýanyň döwletiň daşary syýasatyň amala aşyrmagyň iň möhüm serişdesi bolup durýandygy»; «diplomatiýanyň döwletiň daşary syýasatyň maksatlaryny we wezipelerini amala aşyrmak, daşary ýurtlarda döwletiň, onuň edaralarynyň we rayatlarynyň hukuklaryny we bähbitlerini goramak boýunça döwlet we hökümet baştutanlarynyň, daşary işler ministrleriniň, daşary ýurtlardaky diplomatik wekilhanalaryň, halkara guramalardaky, maslahatlardaky wekiliýetleriň resmi işidigi»; «diplomatiýanyň halkara gepleşiklerini alyp barmagyň sungaty bolup durýandygy» ýaly kesitlemeler bilen baylaşdyryldy.

Şol bir wagtyň özünde hem diplomatiýa hiç bir kär bilen deňeşdirip bolmajak seýrek kär bolup durýar, şeýle hem onuň köp ölçegli ähmiyeti bardyr. Şu jahetden, awtor «diplomatiýa» adalgasy babatda özünü ýokarda getiren kesitlemeleriniň entek tükenikli bolmazlygynyň ahmaldygyny belláp geçýär we muny subut etmek üçin täze delillere ýüzlenýär.

Mysal üçin, diplomatiýa «ylalaşyp bilmeňi sungaty» ýaly has doly we diýseň jaýdar kesitleme hem berlip bilner. Üstesine-de, bu kesitleme diplomatlara daşary syýasy meseläni çözmegeňi mundan başga täsirli we howpsuz usulynyň ýokdugu barada netije çykarmaga mümkünçilik berýär.

Mundan başga-da biz, hakyky diplomatiýa «ýaragsız ýeňiş gazanmagyň sungaty» hökmünde hem seredip bileris. Diplomatiýa şeý-

le kesitlemäniň berilmeginiň esasy maksady bolsa, awtoryň pikiriçe, hemme zady öz içine alýan parahatçylygy berkárar etmek bolup durýandyr.

Şu ýerde diplomatiýa babatda awtoryň öz esasy hususy pikiri bilen tanyşmak hem gazykly bolsa gerek. Şol kesitlemä laýyklykda, «diplomatiýa — munuň özi halkara gatnaşyklar baradaky ylymdyr we gepleşikleri alyp barmagyň sungatydyr. Diplomatiýa parahatçylykly serişdeler arkaly amala aşyrılmalydyr, onuň maksady we wezipesi döwletiň, onuň raýatlarynyň bähbitlerini goramakdyr, üpjün etmekdir. bir tarapyň däl, eýsem, taraplaryň ählisi bilen bähbitleriň umumy nokatlaryny tapmaga borçludyr».

Halypa diplomatdan ussatlyk sapaklary

Diplomatiýanyň döwletiň halkara işlerindenäki umumy ugry bolup durýan daşary syýasatyň aýrylmaz bölegi bolup durýandygyny ýene bir gezek nygtap geçeliň. Daşary syýasat diplomatiýanyň maksatlaryny we wezipelerini kesitleyär. Şunlukda, diplomatiýa «Daşary syýasy meseleleri nädip üstünlikli çözümleri?» diýen soraga jogap berýär. Başga sözler bilen aýtsak, onda diplomatiýa özüne mahsus olan serişdelerden, tärlerden we usullardan döredjilikli peýdalanmak bilen daşary syýasy meseleleri çözmelidir.

Şu ýerde geljekki türkmen diplomatlarynyň daşary syýasatyň amala aşyrılyan ähli ýerinde diplomatiýanyň hem bolýandygyny ýatdan çykarmazlyklary möhümdir. Şeýle hem söhbetdeşliklerde, forumlarda daşary syýasatyň ýa-da diplomatiýanyň — bularyň haýsysynyň agdyklyk edýändigi barada anyk

bir zat aýtmagyň kyn bolýan wagtlarynyň az bolmaýandygyny tejribe görkezýär. Şeýle ýagdaýlarda şol hadysalaryň, ozały bilen, daşary syýasy hadysalar diýlip atlandyrylmagyň maksadalaýyk boljakdygyny hem belláp geçeliň.

Diplomatlarýn daşary syýasy meseleleri çözümk maksady bilen, alyp barýan çekismeleri

we maslahatlaşmalary bellí bir manyda bäsdeşlik we hyzmatdaşlyk häsiýeti bolan sport olimpiadalara gatnaşyjylaryň ýaryşlaryna meňzeýär. Yöne olaryň soňkularidan esasy tapawudy, ol hem diplomatlaryň bäsdeşliginiň intellektual, akył görnüşli ýaryş bolup durýanlygydyr (munuň özi, elbetde, sportda beden başarnygy esasy bolsa-da, onda akylyň zerur däldigini asla aňlatmayar) we onuň maksady gepleşiklerde ýokary daşary syýasy, diplomatik netijeleri gazaňmakdan ybaratdyr. Şu jahetden, geljekki türkmen diplomatlarynda amaly diplomatiýanyň meselelerini üstünlikli çözümk endiklerini kämilleşdirmek uly ähmiýete eýe bolýar. Muňa olaryň amaly diplomatiýanyň meselelerini pikir ýöretmek, nazary taýdan çözümk bilen hemise meşgul bolmaklary hem oňaýly ýaramad eder.

«Parahatçylygyň ýaş çaparlary» akyl-paýhas bäsleşiginiň III möwsüminiň V saýlama oýny 2024-nji ýylyň 17-nji ýanwarynda geçiriler.

Ynsanyň kalby diýseň duýguçyl bolýar. Daşymzy gurşayan her bir zat, her bir adam, bolup geçýän her bir waka biziň içki dünyämize öz täsirini yetirýär. Howanyň üýtgüp durmagy, daş-töwerekimiziň öz keşbini wagtal-wagtal täzelemegi bolsa, adama aýratyn täsir edýär. Her paslyň özboluşlygynyň bolmagy bilen, onuň ynsana yetirýän täsiri-de aýratyndyr.

Meselem, meniň üçin her bir pasyl aýratyn duýgy bilen baglyansykly. Ýaz paslynda hemme zat täzeden başlanýan ýaly, tebigat sowuk gyşdan soň, özüne gelýär, täzeden janlanýar. Bu paslyň ýagyşly döwri bolsa, dürlü filosofiki pikirleri etmäge, durmuş hakynda täzeden oýlanmaga höwes döredýär. Tomus paslynda bolsa adamlar sebäpsiz, öz maýdalyna aýlanmaga, gezelenç etmäge daşaryk çykýarlar, çagalaryny oýnadýarlar, dynç almaga gidýärler. Tomus erkinligi ýatladyar, ýeriljek eşikleri geýyärsiň, okuwcylardyr talypalar bolsa dynç alyş möwsümine çykýarlar. Bu döwür hiç zady alada etmän, bar wagty özüne we ýakynlaryň sarp etmäge diýseň amatly.

Güýz – taze güýc kuwwat bilen iş başyna dolanylýan wagt! Taze-taze adamlar bilen tanışýarsyň, önkülerden tapawutlanýan dersleri öwrenip başlayarsyň. Özüm talyp bolamsoň, meniň

ünç güýz pasly täze okuwy ýylynyň hyjuwlý başlangyj bilen bagly. Gyşda bolsa daş-töwerek waglatyň dynç alýar, akja ýapynjalaryny ýapypnyp uka gidýär. Emma şu döwürde, aňzakly howa garamazdan, adamlaryň ýürekleri has-da ýylanýan, birek-birege bolan söygüsü berkeýän ýaly. Gyş özüniň sowuk howasy bilen adamlary birek-birege has-da ýakynlaşdırýar.

Hawa, ýylyň ahyrynda yzyňa nazar aýlamak, megerem, her bir adama mahsus bolsa gerek. Soňky 10 – 20 günüň dowamynda tutuş geçen ýylda gazanylan üstünlikler, öwrenilen bilimler, durmuş tejribeleri doğrusunda oýlanmak, netije çakarmak köpler üçin däbe öwrüldi. Ýylyň ahyry hemiše jadyly bolýar. Bu, megerem, biziň çagalyk döwrümüzden galan täsir bolsa gerek. Üstesine, daş-töweregij hem geljek taze ýyla tajýarlyk görüp, çagalyk döwrümüzzi ýatladyan owadan ýsyklar bilen bezelmegi ynsany ertekiler dünýäsine aralaşdırýar. Taze arzuwlary etmäge, umytlanmaga, geljek ýyla beýik, peýdaly maksatlary goýmaga täsin gurşawy döredýär. Taze ýyla tajýarlyk, garaşylyan döwrün duýgularyny hiç bir zat bilen çalşyp bolmaz. Göwnüme bolmasa, bu döwür beýleki pasyllaryň hijisine-de meñzemeýär. Bu hatda gysyň hem aýratyn, özboluşly döwri. Bu döwür – umytlar döwri! Bu döwür – ertekilere ynanmak we ertekilerdäki ýaly ýaşamak döwri! Bu döwür – ýakynlaryň we özüni begendirmek döwri! Men ynsany gysga wagtylyk hem bolsa, jadyly wakalara, ertekä, gudratlara ynanmaga mümkünçilik döredýän bu döwri ýylyň bäsirji pasyl diýip atlandyrasym gelýär.

Goý, bu pasyl tutuş geljekki ýylyň össüslere badalga bolsun! Bu pasylda eden umytlarymız, arzuwdyr dileğlerimiz geljek ýylda iň owadan görnüşde hasyl bolsun!
